**Rationale**

The authority for development of curriculum lies with the principal and staff as agents of DECS. Therefore the role of the Learning Improvement committee is to examine and analyse learning data and to liaise with staff, students and parents on areas concerning curriculum development. It will monitor and evaluate the improvement provided by learning initiatives at JCS in order to make suggestions to staff and Governing Council about issues concerning learner improvement.

Plan Reviewed: 14.3.12  Chairperson: Prue Hunter
